Please, note that Poland is not in the Euro zone, the local currency is Polish Złoty (PLN). Most places, including shops, trains, taxis etc., and at the conference venue, you can pay by Visa or MasterCard. You will also be able to withdraw cash in Polish Złoty at any ATM. Exchange offices are available at the airport, at the largest train stations like Gdynia Główna and Gdańsk Główny, and in largest shopping centres, but not in small places like Jastarnia.
